Subject: Renewal of Class V Injection Well Permit #HMB 0000052
Eagle Heights Development
Morristown, Tennessee
Shield Project No.: 1075100-04

Dear Mr. Sorrells;

This letter is written in regards to Class V Injection Well Permit #HMB 0000052 for the Eagle Heights Development in Morristown, Tennessee. Shield Engineering, Inc., (Shield) has previously submitted to you on behalf of Mr. Ed Hurley of Lakeview Management Developers (Lakeview), LLC a Class V Injection Well Permit that was approved on February 8, 2011. Lakeview is in the process of resuming operations. Per our discussion, Shield requests re-approval for the previously submitted permit application. A copy of the prior approval is attached as well as a check for \$750, the permit fee. The site design and permit use have not changed or been altered since the last approval. Thank you for your assistance. The approved permit should be mailed to the attention of Mr. Ed Hurley, as listed below:

Mr. Ed Hurley
Lakeview Management & Development, LLC
39905 HWY 194E
Phelps, KY 41553

If you have any questions regarding the contents of this letter, please do not hesitate to contact the undersigned.

Sincerely,

RE: Eagle Heights Injection Wells
UIC Number: HMB 0000052

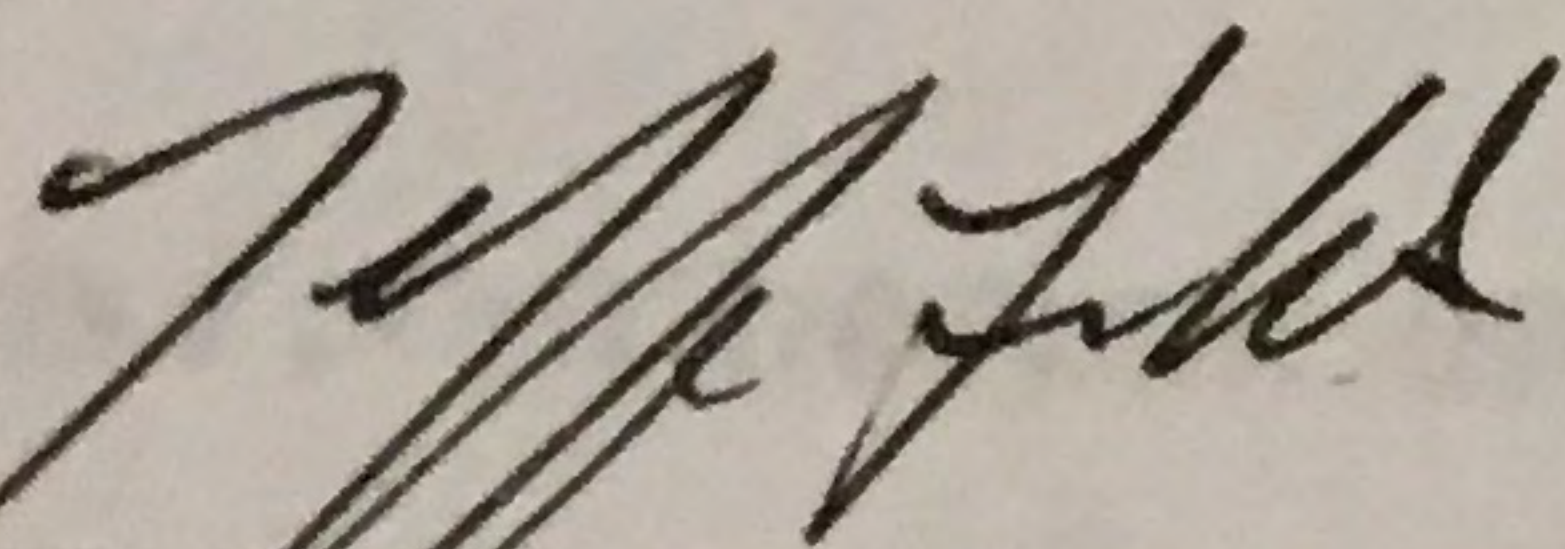

Dear Mr. Hurley,

Thank you for submitting information required to obtain a re-authorization by rule for the Class V Injection Wells. Enclosed you will find the approval for the Eagle Heights sinkhole modifications located at 1600 West Morris Boulevard in Morristown, Tennessee 37813.

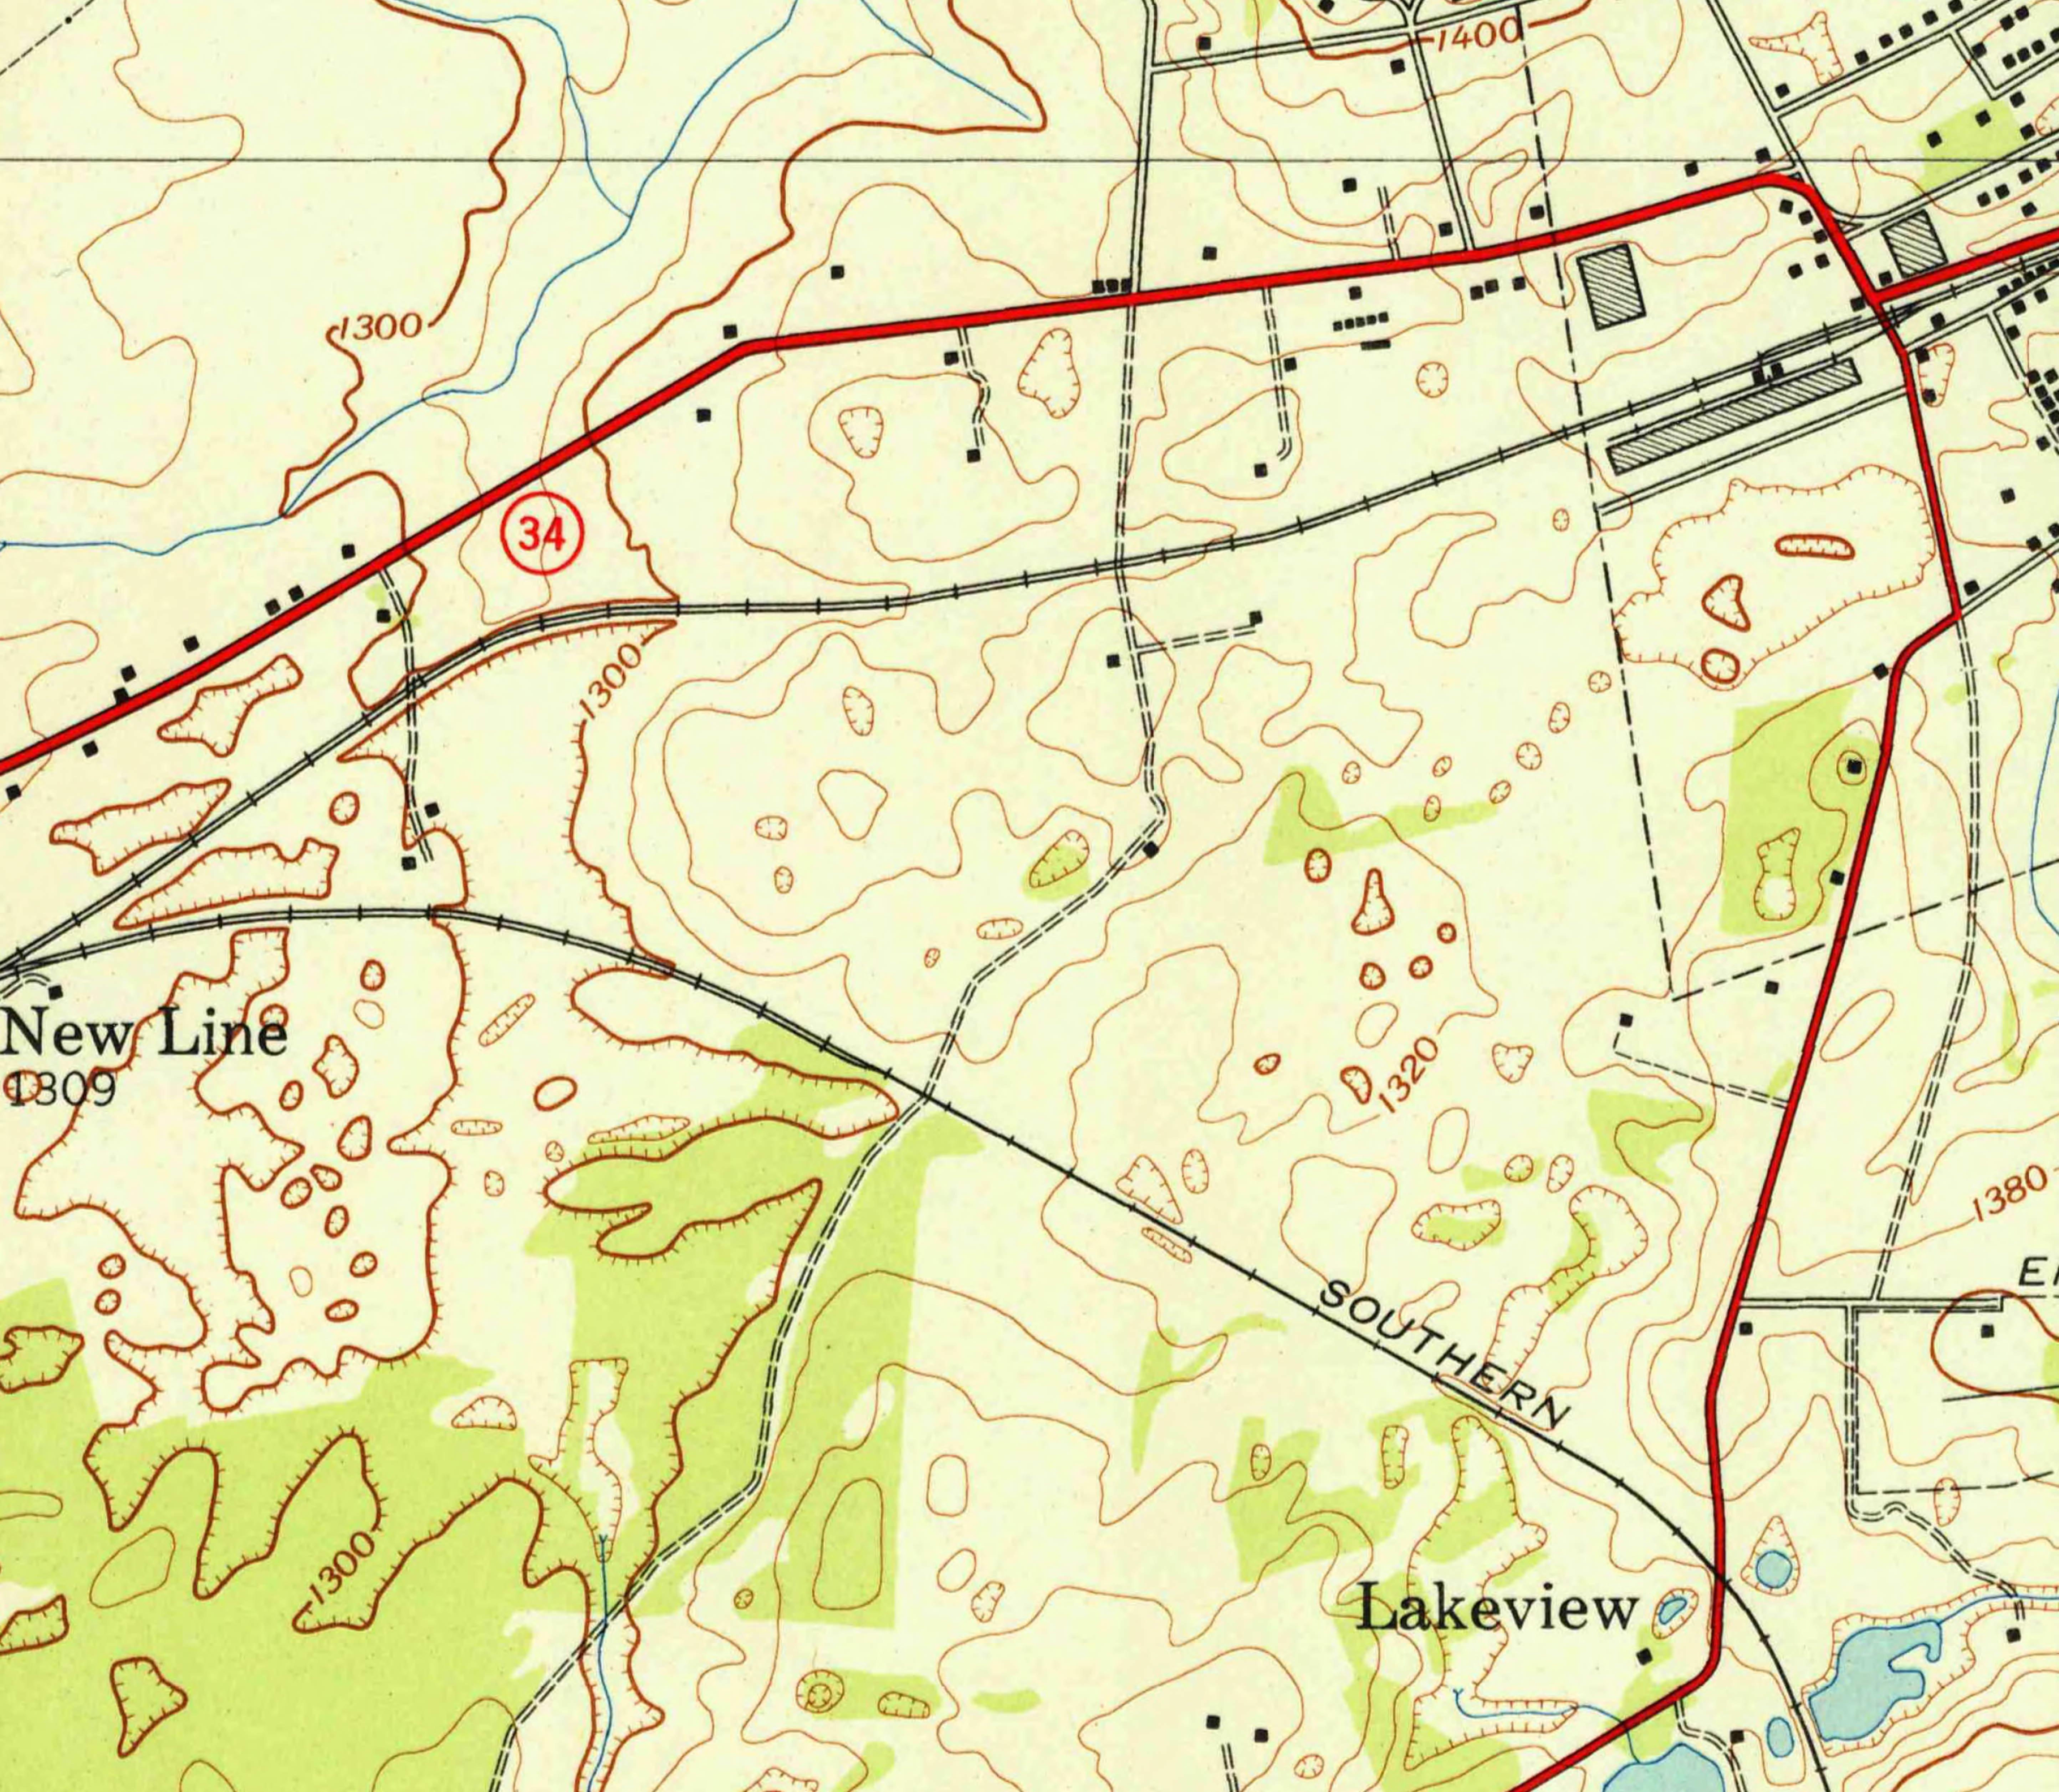

Please feel free to contact me at (615) 532-0180 regarding this correspondence.

Thank you for your cooperation.

Sincerely,

Jeff Fields
Drinking Water Unit
